

MV MSC Andrea F — Hull Painting Works

Job No. 2609 / 1205 · NSD Kolkata · 10–11 September 2026

OPPO A59 5G

Kolkata | 10 September 2026 at 5:16 pm

Job Overview

Vessel MV MSC Andrea F	Location NSD Kolkata
Dates 10–11 September 2026	Job No. 2609 / 1205

Painting works carried out at NSD Kolkata covering MSC logos, draft marks, and ship's name using ship-supplied white paint. All work completed under normal and overtime working hours.

Scope of Work

1 MSC Logo Over-Painting

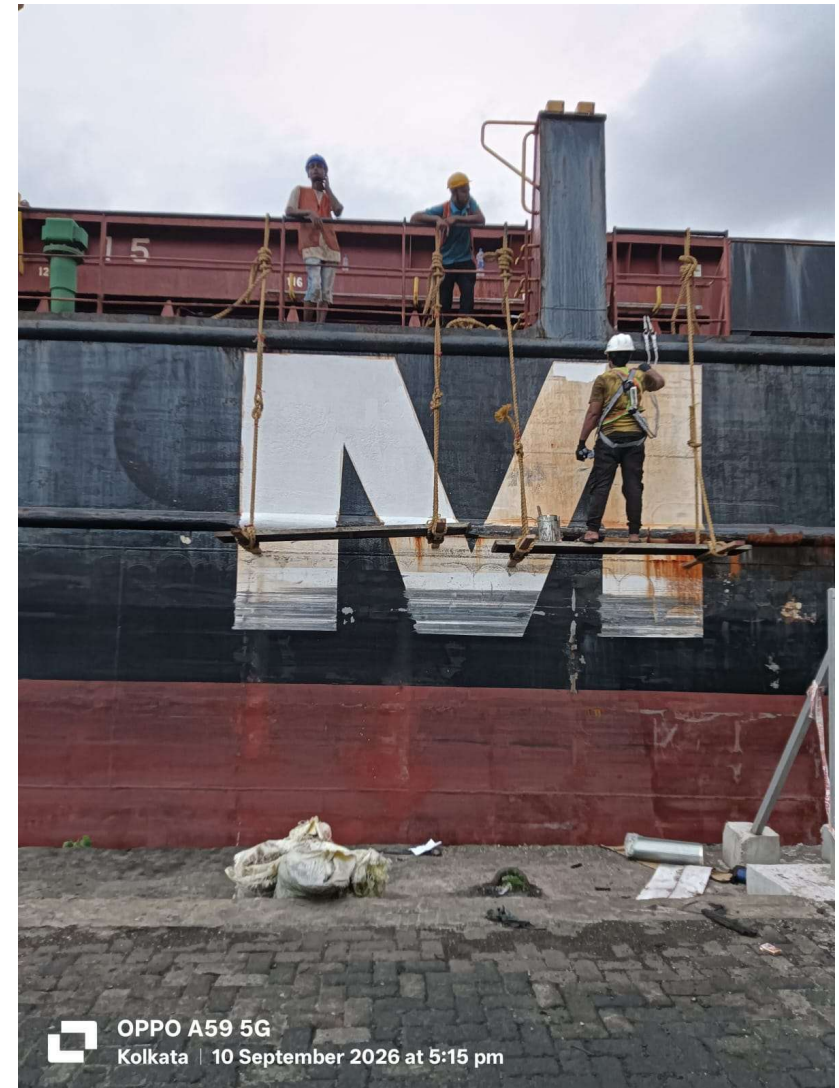

At midship Port and Starboard sides, "**M S C**" to be over-painted on the existing logo using ship-supplied white paint.

2 Draft Marks Repainting

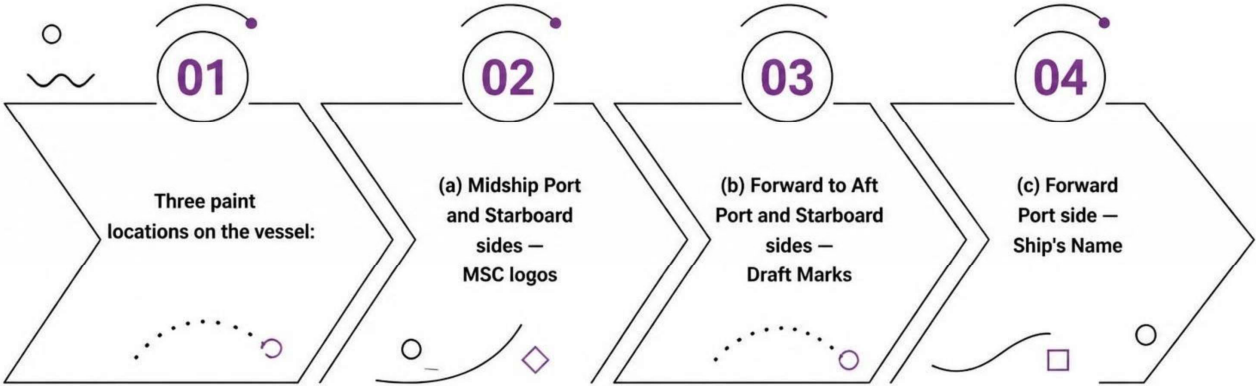

Draft marks from **Forward to Aft** on both Port and Starboard sides to be repainted with ship-supplied paint.

3 Ship's Name

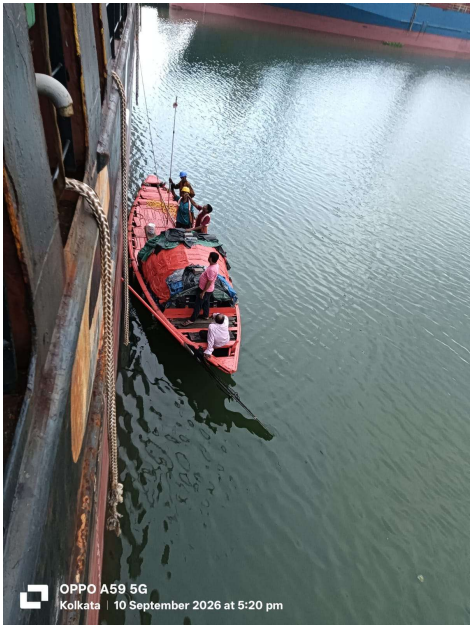

Ship's name on **Forward Port** side painted with ship-supplied paint.

Paint Locations

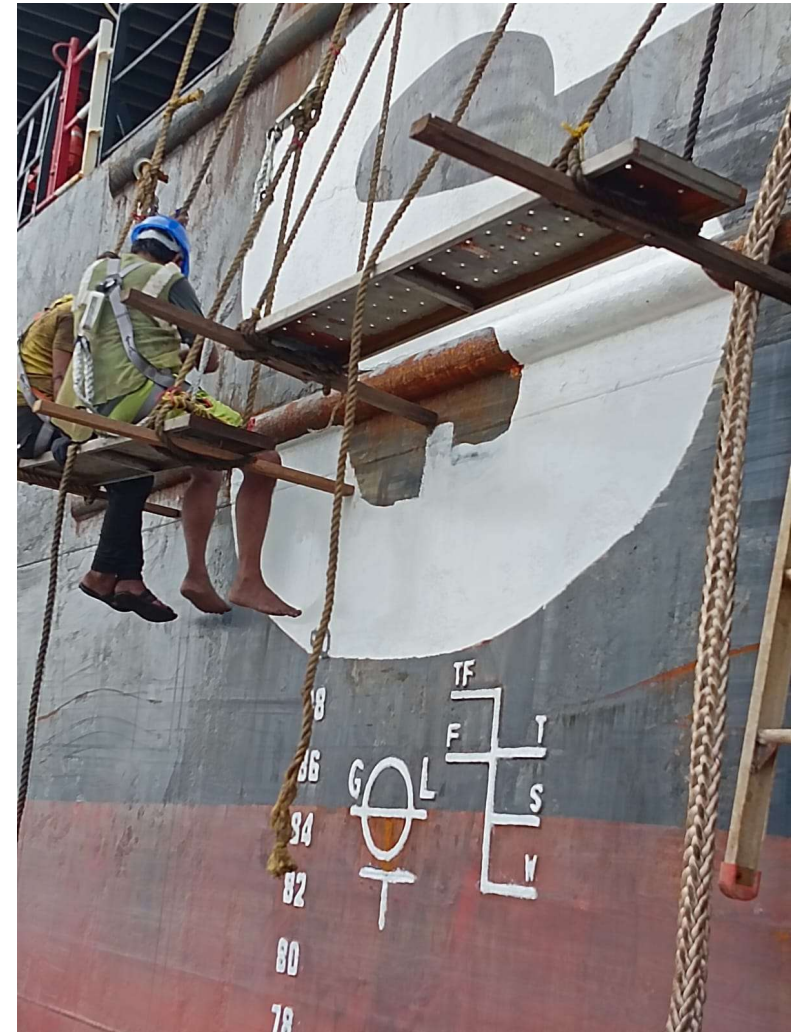

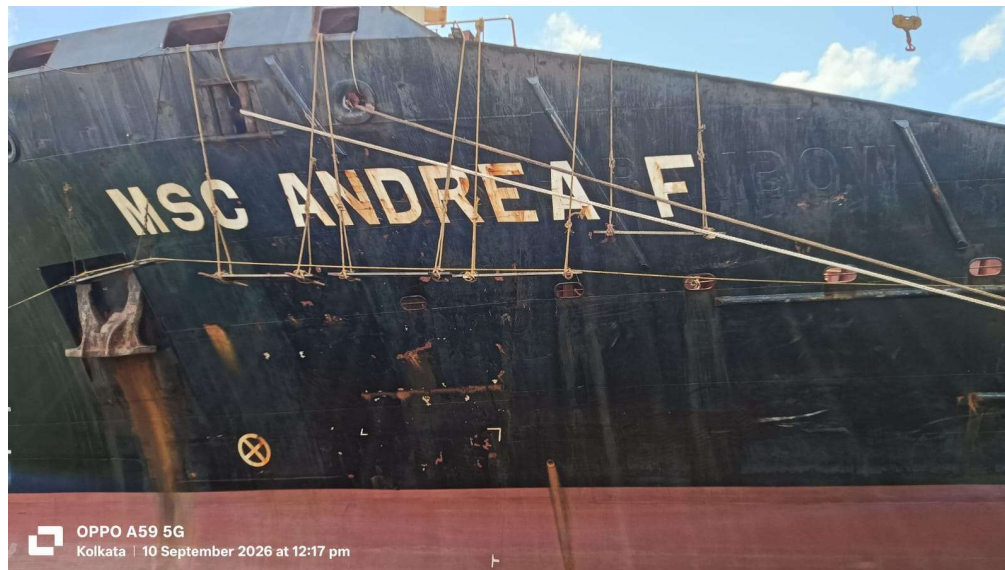

All three locations covered using ship-supplied white paint, with boat services arranged by the workshop for access.

Staging & Mobilisation

On **10 September 2026**, necessary staging planks (hanging type) were fabricated and transported to the vessel along with all required painting and safety accessories.

All gate, port, and immigration clearance formalities were completed prior to boarding. Planks were then suspended at the designated work areas to provide safe access to the hull surfaces.

Work Execution

Surface Preparation

Existing logos and draft marks cleaned thoroughly prior to painting.

Boat Services

Workshop-arranged boat services used to access and complete the job.

Re-Painting

All designated areas re-painted using ship-supplied white paint.

Inspection

All completed work checked by ship staff and found satisfactory.

Safety & Procedural Compliance

Safety Measures

All work carried out in strict adherence to procedural and safety precautions throughout the duration of the job.

Working Hours

Work was conducted under **Normal + Overtime** hours to ensure timely completion within the scheduled window of 10–11 September 2026.

Clearances Obtained

Gate, port, and immigration clearances secured before commencement of any work on board.

Completion & Handover

Ship Staff Inspection

Upon completion, all painted areas were inspected by ship staff and confirmed to be **in order and satisfactory**.

Demobilisation

All workshop tools, gears, staging planks, and accessories were removed from the vessel and landed ashore after job completion.
